

# But I can fix the chains, right?

- Yes, but there is something called Proof of Work
- It takes a modern computer approx. 10 min to provide Proof of Work
- You need to “fix the chains” AND “rebuild” the blocks.
- To “rebuild” the blocks, you need to provide Proof of Works for all of them

I have a super computer, I'll  
just “fix” all the chains.

- Block chain's response: Peer to peer network!
